

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.

REGISTER OF PAINTING CONTRACTORS AND PRACTITIONERS - BUILDING SERVICES REGISTRATION ACT 2011

Notes

- **Sections of the register.** The register is published in four sections: 1 - currently registered contractors, 2 - currently registered practitioners, 3 - formerly registered, now expired contractors, 4 - formerly registered, now expired practitioners.
- **Painting contractors and practitioners.** A painting contractor is authorised to contract to provide painting services to others. A painting practitioner is entitled to be appointed as the nominated supervisor to a painting contractor, but may not personally contract to provide painting services to others. Each contractor is required to have appointed at least one nominated supervisor.
- **Conditions on a registration.** The Building Services Board can place conditions on a contractor's or a practitioner's registration. When conditions are applied the conditions will be shown below the contractor's or practitioner's name.
- **Reg No.** PC for painting contractors and PP for painting practitioners. Acronyms form part of the registration number.
